Jesus is
LORD OF ALL

4. List 3 ways participating in a small group creates conditions for growth

5. What other things can you do throughout the week to live more in community with other Christians?

6. What did you find helpful or challenging about the message?

"We should not...think of our fellowship with other Christians as a spiritual luxury, an optional addition to the exercises of private devotion. We should recognise rather that such fellowship is a spiritual necessity, for God has made us in such a way that our fellowship with himself is fed by our fellowship with fellow Christians, and requires to be so fed constantly for its own deepening and enrichment." - J.I. Packer
